

How to Login with Clever

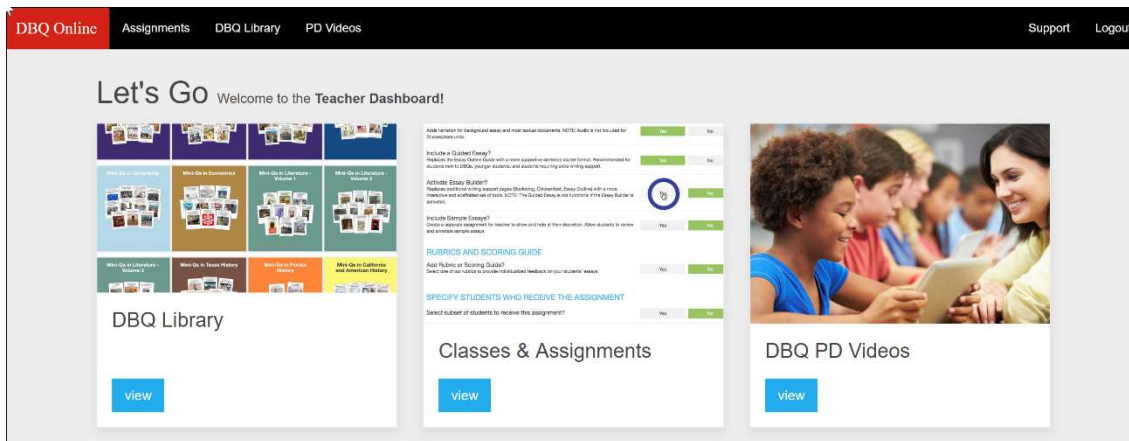

1. Go to your Clever portal. If you are not sure where to go, see our Welcome Email or contact your IT Department.
2. There will be instructions on your District's Clever landing page on how to log in. Here is one example:

3. Once logged in, click on **DBQ Online** icon.

4. When you first click on the icon, you'll see a Terms of Use. Scroll down and click Accept. You should now see **Let's Go - Welcome to the Teacher Dashboard!**

Troubleshooting:

If you do not see the Teacher Dashboard and instead see the DBQ Online login screen (see below), contact support@dbqproject.com.
