

How to login with Google

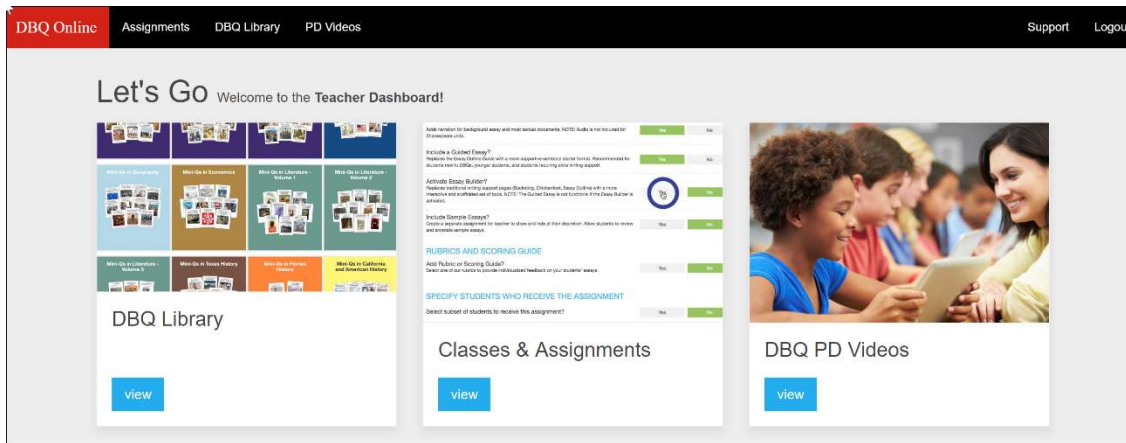

1. Logout of all your GMAIL accounts.
2. Click on the tile **Login with Google**.

3. You will be prompted to a) **enter in your school's Gmail account** username and password, or b) **be presented with a list** of your Google accounts to choose from.

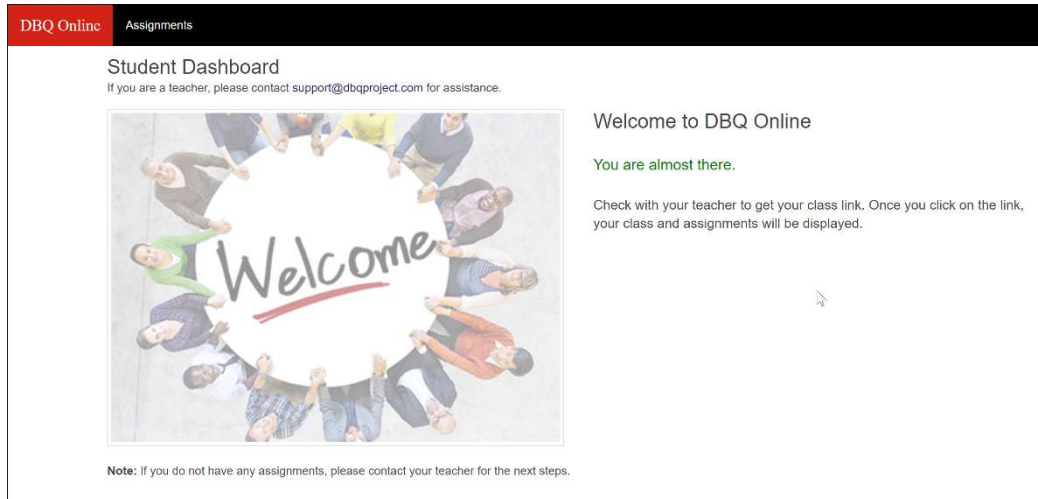

4. When you first log in, you'll see a Terms of Use. Scroll down and click Accept. Once logged in, you should see **Let's Go - Welcome to the Teacher Dashboard!**

Troubleshooting

If you see the Student Dashboard (see below): Contact support@dbqproject.com.

If you get the message **“You are Not an Authorized User”**: Log out of Gmail accounts, close your browser, and log back in. If you still have an issue, contact support@dbqproject.com.
